

*Agenda for 176th meeting of
Municipal Corporation Chandigarh*

Date : 23.01.2012

Time : 10 .00 a.m.

Venue : *Assembly Hall,*

Municipal Corporation

New Deluxe Building, Sector -17E,

Chandigarh – 160017

AGENDA ITEM NO. 1

Subject: Confirmation of the minutes of 174th and 175th meeting of the General House held on 27.12.2011 at 11.00 a.m. & 01.01.2012 at 10.00 a.m. respectively in the Assembly Hall of the MC, Chandigarh.

AGENDA ITEM NO. 2

Subject: Election for the five members of Finance and Contract Committee.

AGENDA ITEM NO. 3

Subject: ESTIMATE FOR BORING & INSTALLATION OF 5 NO. 12” x 8” (304.80 X 203.20 MM) I/D DEEP BORE TUBEWELLS IN LIEU OF LOW DISCHARGE/ABANDONED TUBEWELL NO. RN-13 & RN-100 FEEDING TO WATER WORKS, SECTOR-37, CHANDIGARH AND RN-77, KWS-2 & TUBEWELL IN WATER WORKS COLONY SECTOR- 26, FEEDING TO WATER WORKS, SECTOR-26, CHANDIGARH. (WITH REVERSE RIG. METHOD OR ANY OTHER METHOD OF LATEST TECHNOLOGY).

The water supply system of Chandigarh is based on two sources namely Canal water flowing at a distance of 27.5 km from Chandigarh and tubewells. The total requirement of water is 110 MGD which comprises the domestic demand of the residents, institutional, industrial, commercial & irrigational purposes whereas the availability of water is 80 MGD. Out of total availability of water, the tubewells contribute about 20% and the balance is met from canal water from water works, Kajauli under Augmentation water supply scheme phase- I, II, III & IV. It is hereby mentioned that the V and VI Phase of Augmentation of water supply scheme is not to be commissioned for Chandigarh as to be executed for S.A.S. Nagar by GMADA and Phase VII & VIII which is proposed to be executed by UT Chandigarh will take 3 to 4 years for commissioning. Therefore to meet with the growing demand of water in the forthcoming summer season, new tubewells are required to be installed. Moreover, in the coordination meeting held on 04.01.2011 between Chd Admn and M.C. Chandigarh under the Chairmanship of Advisor to Administrator, Chd. Admn, the Advisor agreed that new tubewells be provided. It has therefore been proposed to install 5 No new deep bore tubewells in lieu of low discharge/abandoned tubewells i.e. RN-13 & RN-100 and RN-77, KWS-2 & tubewell in water works colony, Sector-26, Chandigarh. These low discharge tubewells which were installed during year 1999-2000 feed to water works, Sector-37 & 26 respectively. The bore holes of these tubewells were got inspected from the renowned ground water Hydrologists M/s Jindal water technologies, Sec. 48, Chd. After the inspection of the tubewells, the consultant has recommended to abandon these tubewells and to install new tubewells away from the existing bores. The stainless screen is to be installed only below 150mtr depth. It has been

further recommended by the consultant that considering on an average 2.50 to 3.00 mtr per year decline in water level, minimum length of housing pipe should be 135 to 140 mtr for 12-15 years life of new tubewells.

It is expected that with the installations of 5 No new tubewells in lieu of existing low discharge tubewells, the availability of water will increase by 2 MGD. The provision for automation of tubewells under SCADA system has also been made in the estimate. Thus the estimate duly checked for **Rs. 129.00 Lacs** has been allowed by the competent authority to be placed before the General House of Municipal Corporation for consideration and approval.

Accordingly the agenda is hereby placed before General House of Municipal Corporation. The expenditure will be charged to head: 4215 – Water Supply and Sanitation (Plan) – Laying of Additional Pipe Lines and more funds will be demanded in RBE. However the detail of Budget allocation is as under:

Budget Details:

Major Head/Head of Account	4215 – W/S and Sanitation (Plan) - laying of additional pipe line
Total Budget Allocation	Rs 400.00 Lacs
Amount of Estimates already sanctioned.	Nil
Estimates under process	Rs. 85.98 Lacs
Up to date expenditure	Rs. 343.28 Lacs
Amount of present Estimate	Rs. 129.00 Lacs

AGENDA ITEM NO. 4

Subject: Outsourcing of Area through service providers for sanitation work.

Sanitation contract for outsourcing of areas was allotted to the four firms initially for the period of one year w.e.f. 01.01.2009 and subsequently, extended up to 31.12.2011 as approved by General House in its 159th meeting held on 26.11.2010. Thereafter, the agenda was placed before the General House of Municipal Corporation, Chandigarh in its 174th meeting held on 27.12.2011 for granting extension for another three months or till the allotment of new contract, whichever is earlier and the General House has given the extension only up to 31.01.2012.

Accordingly, an agenda was placed before the Sanitation Committee in its meeting held on 30.12.2011 for approval of tender document including terms & conditions of outsourcing of area as framed by the departmental committee for floating afresh tenders through e-tendering process. The Sanitation Committee has resolved as under;

The Sanitation Committee after consideration reiterated and unanimously emphasized on the old terms and conditions and approved the previous tender document with the following changes:

- 1. The bidder can apply for one or more Groups as per Annexure A. Separate bids have to be submitted for each group.*
- 2. In case, more than one contractor quoted the same rate in the Price Bid for a group then retendering process be initiated once and in case same rates are received in the re-tender, the successful bidder shall be decided by draw of lots.*
- 3. The period of contract shall be three years from the date of allotment if not otherwise revoked or cancelled as per the terms and conditions of the contract and it can be extended on year to year basis up to Five years on the basis of satisfactory performance of the contractor.*

The terms & conditions approved by the Sanitation Committee in e-tendering format is enclosed for consideration and approval of General House.

Meanwhile, the extension may be given to the present/existing contract, which is going to expire on 31.01.2012 for further period up to 30.04.2012 or till the allotment of new contract, whichever is earlier so that sanitation work may not suffer.

The agenda is placed before the General House of Municipal Corporation, Chandigarh for consideration and approval please.

M.O.H.
